# Owning a property in **Thanga Puram** is a virtue... As it keeps on escalating its value.

THANGA PURAM truly stands up to its name with Sripuram Golden Temple of Goddess Lakshmi at 43 kms on one side and Kanchipuram of Goddess Kamakshi at 50km on the other.

Blessed by the two holy shrines, the place is well connected to Chennai and other prominent places like:

- Tiruvannamalai-the Holy Shrine of Lord Shiva and Saint Ramana Maharshi
- Arani- the place known for sarees
- Melmaruvathur- known for Adhiparasakthi Temple etc.

The government has also proposed a Railway Station at walk-able distance from Thanga Puram.

THANGA PURAM has all the features to raise its value for years down the line. Country Club offers a complimentary piece of land in THANGA PURAM, a venture of Country club (India) Ltd. in association with Country Condos Limited for a few fortunate members only.
