Sagar Pushpavan is an outstanding real estate venture uniquely designed with splendid landscape pervaded by trees and colorful flowers. With a well commutable proximity to Hyderabad and Nagarjuna Sagar, just at a 5km distance from Highway, Sagar Pushpavan stands out as an attractive, desired and lovable place to own by many.

The elegant trees and plants in Sagar Pushpavan are well searched and picked up by the most experienced Botanical experts.

Once the project is completed, the responsibility of the maintenance will be handed over to the plot owners' association and the entire project will be maintained only by the respective association from then.

A separate office space will be provided within the venture to enable the association to run their regular operations.

Location And Features:

- Proximity to Hyderabad and Nagarjuna Sagar
- Well connected roads till the site
- Landscaped with trees and flowers
- Park to relax amidst aesthetic flora
- Main Road: 60 Feet Metal Road
- All other roads are motorable roads
- Rainwater Harvesting in common area
- Street Light poles on 60 Feet road
- Separate transformer for entire project
