

SARZAMEEN

For The Best Future Returns

Discover Yourself in the Splendor of Rajasthan

The background of the entire image is a warm, orange-hued sunset. On the left side, there is a large, dark silhouette of a traditional Rajasthani fort or palace. The silhouette shows various architectural features, including domes, minarets, and a crenelated parapet wall. The text is overlaid on the right side of the image.

Making of new history - Rajasthan

The land that echoes the sagas of great empires, emperors, kings and queens, their forts and palaces, their invincible triumphs and unforgettable victories, is now making a new history.

Since the beginning of new political era in 2014, Rajasthan is witnessing ever escalating land value with the onset of new entrepreneurs entering into the state. The state of Rajasthan, known for its unmatched Tourist Destinations, is growing beyond making a new history in varied industrial sectors.

*Fully Converted
Residential Plots*
at
SARZAMEEN

Country Club takes pride in launching its first fully converted residential project in Northern India, as the best investment for future returns.

After decades of successful journey in clubbing business, developing leisure infrastructure and being pioneers of building magnificent residential and commercial complexes, Country Club steps into the fastest developing state of Rajasthan and its prospering district Tonk, with its fully converted residential project Sarzameen.

Sarzameen is located just 17 km away from Tonk and hardly a 90 min drive from Jaipur, the capital city of Rajasthan.

Country Club offers a 900 Sq feet of land in Sarzameen only for a few fortunate members.
